

# Client Contribution & Fees for Commonwealth Home Support Program

Our service aims to deliver a mix of value for money as well as quality of service. To do this we ask consumers to contribute a small portion to the cost of the service so we can deliver this service to as many people as possible.

As part of this policy we implement the following:

- 24 hours' notice is required to cancel services to avoid a fee being charged
- If a service which provides a meal isn't cancelled by 3pm the day before we will pass on the fee charged for lunch
- 24 hours' notice is required if you are not attending an in-centre program so we can call others to fill your spot
- If you are unwell please ring and talk to our staff who can arrange a fee waiver for the day.
