

Building inclusive communities for everyone

Latrobe Community Health Service (LCHS) is a proud Partner of the National Disability Insurance Scheme (NDIS).

We are committed to better health, better lifestyles, strong and inclusive communities. Our Community Capacity Building team at LCHS is committed to making our community more accessible and inclusive for everyone.

We can help your business, community group or organisation:

Enhance accessibility and inclusion

Build on your strengths to ensure your spaces and services are enjoyable for all.

Build welcoming spaces

Create environments that everyone can access and enjoy.

Identify opportunities for growth

Discover practical ways to improve inclusivity.

Celebrate success stories

Highlight and share the positive changes happening in our community.

Together, we can make sure everyone feels welcome in our community.
